KAKHURI GVINIS MARANI

We combine modern cutting-edge technologies with 8000 years of wine-making traditions passed down through generations of winemakers to produce wine with character and quality.

After 1991 the founder of Kakhuri Gvinis Marani started reclaiming the family owned vineyards that were confiscated from his ancestors by the Soviet authorities in 1920s. In 2005 the company built a new winery in Gurjaani in the center of Kakheti.

What makes us special.

1. Family owned wine company
2. Wine of Quality and Character
3. Merging of traditions, modern creativity and technologies.
4. Wine harvested from only our own vineyards.

We produce:

1. Wine both by European and traditional technologies are bottled in glass and in ceramic bottles.
2. Georgian Brandy aged from three to more than ten years
3. Chacha- traditional spirits made by distillation of grape skin and juice.
